

Prevent 'wear and tear' to your vehicle, save time and gas! Arrive at Avalon Campground, drive to your site, set up your camper and ENJOY!

Not all of us have space in our driveway to store an RV or camper, and some neighborhoods have rules preventing owners from doing so. So, what do you do with such a big vehicle during the winter months or in between your camping adventures?

Most people may choose to store their camper, travel trailer or motorhome at a storage facility however, this can be a bit pricy.

For your convenience, we have a much greater option with a fantastic price and includes two weeks of camping at Avalon Campground.

Summer 2023 Storage

April 14, 2023 to October 15, 2023

\$1,387.88 E/W/S or \$1423.88 Deluxe E/W/S P section sites
